PERSONALISATION SOLUTION
With distinctive style

Dedicace™

ENGRAVE HANDWRITTEN MESSAGES
WITH DEDICACE™

Offer a unique gift personalisation service.
Handwritten expressions of love & affection.

■ distinctive

Engraving personalises and enhances the sentimental value of a gift; handwritten engraving adds a touch of intimacy. *Dedicace™* is a unique personalisation solution that will add high-value, high-margin service to your business.

■ expression

With *Dedicace™*, give customers the chance to put pen to paper to create a special message or drawing. This patent-pending solution captures their design from the magic paper and engraves it exactly the way they created it.

■ attractive

Dedicace™'s step-by-step approach ensures reliable, high-quality engraving for attractive results on gifts each and every time. Engrave personal or group messages from friends, family or colleagues. Your customers will enjoy the fun and easy design process. What they see on the magic paper is exactly what you engrave.

■ intuitive

Simply choose a template that suits the size & shape of the gift; have the customer pen a design & you click to engrave. *Dedicace™* can be operated with a touch screen PC. No keyboard skills, programming or engraving settings required.

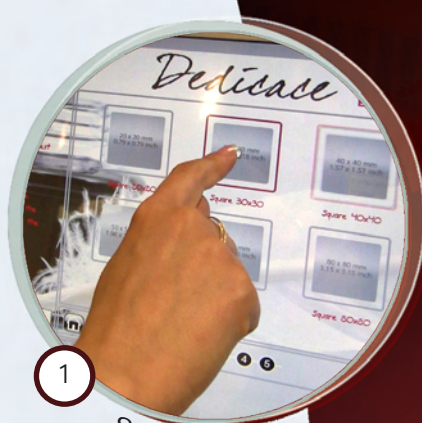

■ collaboration

This innovative solution has been developed in collaboration with retail specialists to ensure outstanding simplicity & a minimal learning curve for users. Easy installation and integration on a shop counter or in a boutique.

■ eternal

Create a personalised message, unique to every customer, which will last a lifetime.

Dedicace™, one-of-a-kind.
